To review and confirm the responses made to Wycombe District Council by the planning committee.  
(Updated list sent prior to meeting)

All current applications were reviewed and comments to be submitted agreed. It was noted that the Bernard Arms application is taking a long time to be determined with neither the Applicant nor WDC seeming to be pushing for a resolution. The Clerk will ask for guidance from WDC as to how we can help them with the application determination.

It had been brought to the attention of Parish Council that a Notice of Premises Licence had been applied for. There appeared to be some local concern about the application but this seems to be resolving amicably. It was unanimously decided not to comment on the application as present.

Sovereign have returned to rectify all the safety issues highlighted by the RoSPA report, Cllr Burton will visit the site and check all works have been carried out correctly before payment is sent.
