5 Planning Applications and appeals

To review and confirm the responses made to Wycombe District Council by the planning working party.

(Attached updated list)

Planning Ref 14/06389/FUL – It was felt that the new plans submitted had addressed neighbour concerns and the PC were minded to comment that the application should now be permitted.

6 To discuss and consider a response to further correspondence from Bucks County Council regarding Footpath 29.

The Parish Council will continue to object to this application.

7 To agree a proposal of £3000 funding towards the Lay-by (or other solution) to the School Parking Issues

It was felt that a layby may not be the best solution to this problem and therefore it was felt a feasibility study to cover both a one way system and the lay-by should be carried out. Councillor Burton will meet with members of Kimble School Governors to discuss.

8 To Review the proposal by Bucks County Council to devolve some maintenance tasks to the Parish Council – Cllr Gerald Redding

The Parish Council are unhappy about this new proposal but feel that the level of service will drop even further if we do not partake in this scheme. The Parish Council will explore possibilities of joining with Princes Risborough Town Council to undertake the works.
