The minutes were signed as a true and correct record.

To review and determine a course of action on the following subjects

4 Kimble Stewart Hall – To discuss the Hall Committees Action Plan

Sue Howgate attended and talked through the new action plan for the Hall, giving each member of the Parish Council a copy of the plan including costs and timescales. Sue asked the Parish Council for approx £6000 for the replacement of the windows, the Parish Council agreed in principal but would discuss formally under Item 5 on the Agenda.

Councillors Williams and Austin will attend the Hall AGM on 27th July 2011 which will enable joint discussion to happen. Councillor Williams suggested that more ambitious refurbishments could be looked into through longer term funding from the Parish Council. Sue Howgate agreed with this and suggested that the wider community should perhaps be consulted.

Councillor Williams thanked Sue Howgate and all the Hall Committee for their continued hard work.

5 To review the Accounts for April, May and June 2011

The accounts were reviewed and all balances and payments approved.

It was agreed in principal that the Parish Council will aim to provide £10k per annum for the Kimble Stewart Hall refurbishment project for at least the next 2 years plus £10K for this current financial year.

6 Planning Applications and appeals

To review and confirm the responses made to Wycombe District Council by the planning committee. (Updated list sent prior to meeting)

The Council carefully reviewed planning applications and unanimously approved responses.

Councillor Jones left the room whilst the rest of the Council discussed the application relating to his property.

7 Report on any outstanding BCC highways matters (including footways, footpaths, Vehicle Activated Signs and BCC Grass cutting.)

Councillor Johnson had received a call from a member of the community enquiring about the proposed diversion of a Footpath which she knew nothing about. The Clerk had received a letter from WDC Legal Department informing the Parish Council of this; however it was not a consultation it was just for information and asking for any comments to be made. The letter was not distributed by the Clerk but given to the Chair of the Planning Committee and it was decided no comment was necessary. The footpath diversion is not the same as a planning application and is therefore not subject to normal planning procedures. Notices are posted near the proposed re-directed path for anyone to comment on. The Clerk apologised for the error and in future footpath diversion notices will be circulated.
