7. Response from Bucks County Council to the Petition submitted to them regarding Speed reduction and carriageway repairs, on the A4010, by resident of Chapel Close.

To acknowledge and agree any appropriate action

Residents of Old Chapel Close reported that Mr Simon Dando from TfB had made a site visit and had agreed to help resolve the issue of the condition of the carriageway. The Clerk will follow this up with a letter to Mr Dando. TVP Community Speedwatch initiative could be useful. One of the residents has already contacted them and is awaiting a response.

We will move the MVAS from the B4009 to A4010 near the Kimble Stewart Hall to remind Aylesbury bound motorists of the speed limit and after that it can be moved the other side of Old Chapel Close to remind the Risborough Bound motorist.

8. Website price increase

To acknowledge and discuss the price increase for 2017-18 website management from MHP

Prior to the meeting the Clerk was informed that MHP had sent incorrect letters out and that there would now be no increase in the webhosting package but there would be a £30 increase in the domain fee, this was agreed, however it was also noted that the website could benefit from an update and more flexibility for the Clerk to update news items which have more impact than the current news facility. It was also felt that the Parish Council may benefit from social media accounts.

9. Village Diary website
