**10. Correspondence, reports and Issues (for information only)**

- *Clerks Report*

The Clerk reported that, although there was no Act of Remembrance service at the War Memorial, there had been several people there to lay wreaths. Cllr Austin added that he had attended and felt it was very poignant even without a formal service and that several ramblers stopped to observe the 2 minutes silence. He also attended today, 11th November at 11am, to witness the wreath laying by two of the senior pupils from the Village School and noted again that members of the public again were in attendance.

- *Reports/Issues from Councillors*

Cllr Cripps noted that the task of making all our website documents accessible was indeed too burdensome and will write a policy note to this effect.

Cllr Cripps had attended a Community Board Meeting just prior to the PC meeting and raised the issue of HS2's response to our note on the noise mitigation from the new road around Stoke Mandeville. The Board were supportive and suggested we contact Buckinghamshire Council. Cllr Williams commented that Cllr Clive Harriss had already been in touch with him and was going to talk to The Leader of the Council, Martin Tett. It is believed that we were not consulted on this roadway and should have chance to do so.

We will wait for a further response from EKFB before responding formally to them.

- *Correspondence Received*

- *All Email correspondence has been circulated to Councillors and, where necessary, added to the agenda for discussion.*

**11. To receive items for inclusion on the agenda for the next meeting to be held on January 2021**
