News from
Great Kimble CofE School
During the holidays work
continued on the final phase of
upgrading our school site – we
now have a small pond complete
with dipping platform, a special
story-telling area, more raised
beds for growing vegetables & a
lovely grassy area. Many thanks
again to all our neighbours for
their patience during these works.
We have welcomed 21 new
children into Reception. We also
welcome two new members of
staff to our team.

Due to the generosity of parents
and members of the community
we were fortunate to receive a lot
of Tesco vouchers for schools and
we now have a **HUGE Connect 4**
for the playground. Already this
has proved to be a wonderful
addition. We also requested
padded stereo headsets and we
are now the proud owners of **15**
adjustable padded headsets all
with volume control and all with
easy switches for turning the
microphone on and off. Although
this may not sound tremendously
exciting it is one of those things
that really make a difference. We
are still awaiting an **extra large**
parachute and some **rugby balls**
to complete our order. All these
wonderful extras really do improve
the learning opportunities here at
school.

Letter from The Rectory
Dear All, I can't believe how
fast the year is going by! All of
a sudden it is Autumn and
during October we have our
glorious Harvest Festival
Celebrations. November has a
very different feel as we honour
the memory of those who 'for
our tomorrow, gave their today'
in our Remembrance Day
Services on November 14th.
Thinking about the contrasts
between these occasions I was
struck that they have
'thankfulness' in common.
There is a story that tells of the
thousands of children who were
orphaned and left to starve
during the bombing raids of
World War II. The fortunate
ones were rescued and placed
in refugee camps where they
received food and good care.
But, many of these children
who had lost so much could not
sleep at night. They feared
waking up to find themselves
homeless again and without
food. Nothing seemed to
reassure them. Finally,
someone hit upon the idea of
giving each child a piece of
bread to hold at bedtime.
Holding their bread, these
children could finally sleep in
peace. All through the night the
bread reminded the, 'today I ate
and I will eat again tomorrow.'
There is a beautiful and very
simple book called 'Sleeping
with Bread' written by the Linn
family and based on this story.
It encourages us to ask
ourselves on a regular basis
two questions: For what am I
most grateful? For what am I
least grateful?
Prayerful people over many
centuries have found direction
for their days and their life by
identifying these moments,
maybe this could help us too
Wishing you every blessing
Jan Rector

Pastoral Care in the Benefice

It is the aim and the privilege of
the Pastoral Team to visit sick,
bereaved, lonely or house bound
members of the community. We
are also happy to assist with
transport for those who are in
need of it. Please get in touch if
you know of anyone who would
value a visit and the support of the
team, it is often the only way we
get to hear of their needs.

Similarly if you have an hour or
two to spare a month and feel you
could help with this important
pastoral work, we would be glad to
have you on the team. For further
information please contact: Jan
Henderson at The Ark (01296
615886)

AUTUMN SHOW

Entries and the number of
exhibitors were slightly fewer
than last year. There were 156
exhibits on the benches
provided by 25 exhibitors. The
flower judge described some of
the chrysanthemum exhibits as
worthy of winning in a national
show. The Stewart Hall looked
a picture for the large number of
visitors who attended during the
afternoon. It was pleasing to
have some new exhibitors who
were successful.
David Ridgway won the
Champion Challenge Cup, for
the most points in the show.
Joe Ratlidge won the Greenway
Dahlia Cup, for the most points
in the dahlia classes, and the
Tilbury Cup, for the most points
in the flower classes. New
member Ronald White won the
Chrysanthemum Trophy, for
most points in the
chrysanthemum classes, in a
very closely fought section.
John Marshall exhibited the
Best in Show with his three
vases of chrysanthemums.
Brian Butler exhibited the most
meritorious vegetable exhibit, a
brace of marrows, and was
awarded the National Vegetable
Society Medal, and he had the
best Chairman's choice, a
pelargonium grown from a small
plant provided to members in
May.
