### 6. Kimble Stewart Hall - Report from Committee members (Cllrs Burton and Redding)

The February minutes were acknowledged and Cllr Redding reported that the hall will introduce a reduced weekend rate for hire to try and attract more weekend bookings. A part-time caretaker has also been found and is undergoing training.

### 7. To discuss and agree a response to the Consultation on the proposed expansion of Great Kimble School

Sue Howgate and Mala Cozadinos gave an overview of the background and plans for the expansion of the School. After discussion, it was agreed that the Parish Council are in support of the expansion of the school but that the transport must be improved as part of the project. The Clerk will respond to the consultation.

### 8. Playground Refurbishment Phase 3 – Cllr Delia Burton

Final phase to include new swing set which will include an all-inclusive, baby and child swing. A wooden bridge across the small ditch and the ditch cleared and planted with wildlife friendly plants.

**9. Neighbourhood Plan – Update from Meeting with Bledlow PC NP Working Group**

Cllrs Good and Burton, along with Sue Howgate, attended a meeting with Bledlow PC in order to hear first-hand their experience of undertaking a Neighbourhood plan. It was acknowledged that Bledlow has a very different demographic and is approx. twice the size of our Parish. Their approach to the plan was from a different angle as they were not being asked to take an allocation of houses as we are. They have a working group of 3 councillors and 20 plus volunteers, many with expertise in relevant fields and they stressed that it has been a very time-consuming and complex process.

Cllr Good suggested that, as we are not in a position to make a formal decision on whether to undertake a NP, that we work on getting some formal detail into the New Local Plan being worked on by WDC and, pending further investigations and surveys to the Local Parish, then make a decision on going forward with Neighbourhood Plan. This course of action was agreed and Cllr Good will contact Penelope Tollitt to discuss and he will also look into putting together a survey for local residents. This can be distributed with the Parish Newsletter. If this goes ahead detail of where residents can return the survey needs to be agreed.

**10. To discuss the Risborough Area Residents Association request for assistance in their petitioning of WDC to reduce the number of houses proposed to be built in Risborough.**

No further information on this was received on this and the Chairman of RARA did not respond to an invitation to attend the meeting.

**11. To discuss a suggestion from Ellesborough Parish Council for a shared Community Vehicle**

The Clerk will ask Ellesborough PC for further information on this before a decision can be made.

**12. Correspondence, reports and Issues (for information only)**

- *Clerks Report – nothing further to report*
- *Reports/Issues from Councillors*
  - *Large pothole near noticeboard in Bridge Street – Clerk will report*
  - *New flag needed for Village Green Flag Pole – Clerk will order*
  - *Defibrillator cabinet light not working, Robin Clarke will fix, defibrillator working fine.*
  - *It was reported that there has been a local police officer on foot around the area who has called into the School.*
- *Correspondence Received*
  - All email correspondence received has been circulated to Councillors and, where necessary, added to the agenda for discussion

**13. To receive items for inclusion on the agenda for the next meeting to be held on Wednesday 12th April 2017**

Julie, it was good to speak with you earlier. I have spoken to John Austin about seeking a new option of improving the very slow internet broadband in the Great / Little Kimble and Marsh area. He has asked me to email you information regarding this.

I have come across two wireless broadband providers that would be willing to provide us with a network, in our area, to deliver much faster broadband - at least 10x quicker than it is now.

Compared to an internet fibre network, which requires the high cost of installation and underground digging, wireless connections can be deployed quickly – via several above ground aerial poles set a few km apart. All that is required is a clear line of sight between each pole.

Customers can be installed and up and running swiftly after a site survey. On the outside of each house, a small aerial is fixed that receives and transmits the broadband signal. The aerial has a cable to the inside of each property, where it's connected direct to a router. Costs per home for unlimited broadband are £40.00 per month – delivering a speed of 24 mg/sec.

To provide a business case for the providers, we have to ensure that at least 50 dwellings in our locality are interested in this service. Please can you discuss this a the next Parish Council meeting.

Option 1 - <http://www.rapidrural.co.uk/> - unlimited broadband for £35.00 per month.

Option 2 - <http://www.vnworks.net/> unlimited broadband for £40.00 per month - 24 mg/sec

<https://connect8.org/frequently-asked-questions/> - a local broadband campaign group – FAQs

Please call me if you have any questions.

Many thanks.

Kind regards
